

Speaker Information

William Stropnick, (Danville, Pa.) a 19yr old college student with the dx of Aspergers will provide us with his opening debut sharing valuable insights from his life on the spectrum.

April Renee (Palm Beach, Florida) is the Keynote Speaker for Vaccine Injured Children (VIC) and former President of The Autism Autoimmunity Project (TAAP). She presents worldwide in honor of her 4-year old angel daughter who was vaccine injured prior to receiving the "label" of autism and later died in 1999 due to her vaccine induced injuries. April will discuss the many dis-ease "labels" which are more prevalent than ever and the evidence that points to vaccinations as the cause.

Dr. Gary L. Tunsky, (Palm Beach, Florida) a cellular disease specialist and CEO of Precision Healing Technologies is licensed as a Traditional Naturopathic Doctor with 22 years of experience in a wide array of healing sciences that are nontoxic and noninvasive such as full body detox, oxygen therapy, heavy metal chelation and more. He is an international speaker and has authored a number of books including co-authoring with Dr. Leonard Horowitz. He will explain in detail how the cells function and the foundation of his theory of ONE DISEASE – "Cellular Functional Disorder". His theory supports that by correcting cellular malfunction and normalizing the process to homeostasis all disease process can be reversed.

Marijean Ginoble (Williamsport, Pa.) is the mother of five- (her youngest having autism), a tireless advocate and the CEO of Gregory's Journey, Inc. She will discuss a mother's triumph to bring peace to her son's life after years of frustration, struggles, and battles with the MHMR systems and the family's role in succeeding to provide a life with quality for Gregory even when the system said it would fail. Through this experience, Marijean pioneered the parent run provider programs in Pa.

David Gibbs III, Esq. (Florida) defended Terry Schiavo and her family in the court case that changed our view of the world. He works with the Gibbs Law Firm and the Christian Law Association in Seminole, Florida defending the rights of churches and Christians nationwide as a legal missionary. He is admitted to the US Supreme Court and numerous federal courts and state bars. His outreach includes *The Legal Alert* radio broadcast and he has appeared on Larry King, Fox and Friends and Face the Nation.

The Always Question Authority
Autism Conference is organized by
Bret's Adventure, Inc.,

A nonprofit organization committed to
supporting people with autism as they pursue
their passions, manifest their destinies and
promote their healing as they emerge into
everything God Created them to be!

*

It is time
That we first create,
Then set the standards,
In our Communities and Lives
Instead of complaining as others do so for us.

So, put on your boxing gloves and join us for
this fun-filled yet informative day to network
with others of "like mind".

*

We must greet difference,
We must acknowledge difference,
Until difference,
Makes no difference,
Anymore.
A. Adele
